Dist. Atty. Jim Garrison,  
Parish of Orleans,  
Louisiana, at Orleans. (all)

Dear Mr. Garrison:

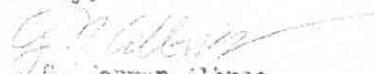

Tell you - PLEASE - have someone see my file  
at the National Archives and make a report to you?

You will, I feel sure, find much of value to  
you for you will find ample proof that Oswald could not  
have fired the shots which hit President Kennedy. It is,  
in fact, doubtful that he was even near from the first  
floor of the '6th at the time of the shooting.

Enclosed is clipping from this morning's Bos-  
ton Herald-Traveler on the '6 to 0.

I appreciate Mr. Rathell's acknowledgment of  
my letter of 26 August 1967 addressed to you.

Sincerely,

  
G. Norman Ahree.
